Coming as tourists, leaving as friends!

This organization is located at Stefan cel Mare University of Suceava, Romania. Our members are students and professors interested in tourism.

The main purpose of its activity is to provide tourist information to tourists, researchers and tour operators. It also offers support and technical assistance to those who intend to start economic activities in the domain of tourism.

We offer:
- promotional materials: fly-ers, maps, booklets, brochures;
- information about attractions, hotels and restaurants;
- promotion online of tourism offers;
- tourism marketing researches and market studies;
- head hunting services for tourism staff;
- tourism assistance.

We are interested to cooperate with institutions, organizations and any person interested in tourism activities and projects.
